

JOIN OUR

Horseshoe Club

Meet our herd of talented therapy horses. Our mission would not be possible without these patient and talented animals!

By sponsoring a member of our herd, you will provide the necessary funds to support the annual cost of a horse's care, including feed, shavings, farrier visits, veterinary care, supplements, and stall management. Victory Horse Sponsors help offset the required costs to keep our horses in the best possible condition to continue to fulfill our mission.

For more information about sponsoring a horse, contact Nichole at development@victorytherapy.org
